

CREDIT ANALYSIS REPORT

Financial Profile Assessment

APPLICANT	DATE	OUTCOME	MEDIAN SCORE
Fixture Client	July 25, 2026	FULL_FUNDING	700

Fixture, this report is built from your UnderwriteIQ file. Every score, card, balance and lender below is your file - not a sample person.

Your plan runs on two tracks at the same time. TRACK 1 - FUND NOW: apply on your clean file. TRACK 2 - REPAIR: dispute, wait 30 days, verify, then the next round. You do not wait for repair to finish before you get money.

01 / BUREAUS

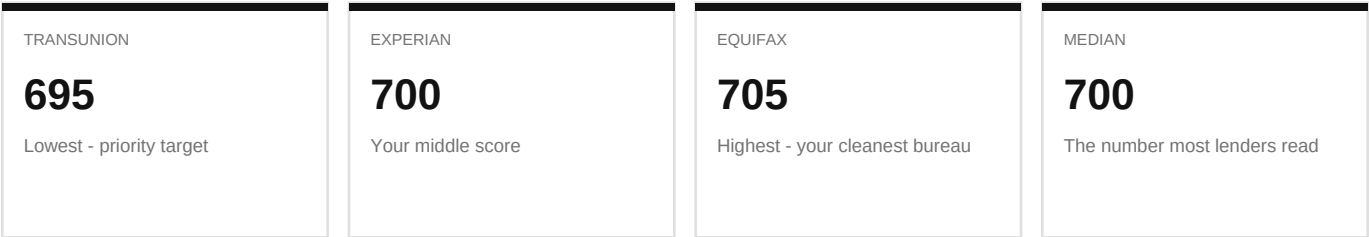

Bureau Health Summary

BUREAU	STATUS	NEGATIVE ITEMS	NOTES
Experian	CLEAN	0	No derogatory items.
Equifax	CLEAN	0	No derogatory items.
TransUnion	CLEAN	0	No derogatory items.

02 / SCORES

Score Breakdown by Bureau

You do not have one credit score. You have three. Line them up from lowest to highest - lenders use the middle one.

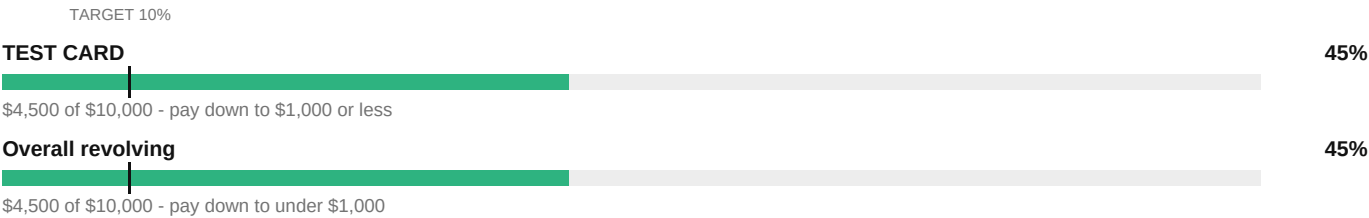

There is a 10-point spread between your best bureau (Equifax 705) and your worst (TransUnion 695). They do not match because not every company reports to all three. Closing that gap is the job.

03 / UTILIZATION

Primary Revolving Cards - Utilization Analysis

CREDITOR	BUREAU	BALANCE	LIMIT	UTIL	TARGET BALANCE	STATUS
TEST CARD	TransUnion, Experian, Equifax	\$4,500	\$10,000	45%	\$1,000 or less	MONITOR
AMEX PLATINUM (NPSL)	Experian	\$5,200	-	-	-	MONITOR

Overall revolving utilization is 45% - \$4,500 of \$10,000. Target: get total balances to \$1,000 or less, which puts you under 10%.

04 / AU ACCOUNTS

Authorized User (AU) Accounts

CREDITOR	BUREAU	LIMIT	BALANCE	UTILIZATION	AGE	IMPACT
MOM CARD	Experian	\$10,000	\$8,000	80%	~84 months	REVIEW

An authorized user account is not your debt. Lenders do not count it as one of your own tradelines when they make a funding decision, but it does sit on your credit report.

You are listed as an authorized user on a MOM CARD card, and it is at 80% utilization. You are not responsible for this debt - it is someone else's account.

Even though this is not your debt, it still counts against your credit utilization.

Ask the main cardholder to pay it down, or call MOM CARD and ask to be removed from the card.

05 / NEGATIVES

Negative Items - One by One

No derogatory items are listed on this file. That is the cleanest position a file can be in going into a funding round.

06 / INQUIRIES

Inquiries - Cleanup Only. Zero Impact on Funding.

Inquiries do NOT affect your ability to get funded through FundHub. We do not use inquiry count as a funding factor. This section is cleanup only.

No inquiries on this file to clean up.

07 / PERSONAL DATA

Personal Data Cleanup

Your name, address and identifiers match across all three bureaus. Nothing to clean up.

08 / BOTTOM LINE
