Re: Formal Dispute of Inaccurate Information — Request for Investigation Under FCRA Section 611

To Whom It May Concern:

I am writing to formally dispute the accuracy of the following accounts appearing on my TransUnion credit report. After a thorough review, I have identified information that does not comply with Metro 2 Format reporting standards and contains material inaccuracies requiring investigation.

Under the Fair Credit Reporting Act, 15 U.S.C. § 1681i, you are required to conduct a reasonable investigation within 30 days of receiving this dispute.

DISPUTED ITEM 1

Creditor Name: Synchrony Bank

Account Type: Charge-Off

Balance Reported: \$3,400

Date Opened: 06/2019

Basis for Dispute:

1. Field 5 — Account Status: The account status code of 97 (Unpaid Balance Reported as a Loss / Charge Off) must be verified against Synchrony Bank's internal records. If this account has been sold to a third-party collector, the status code should be updated to 05 (Account Transferred) and the balance should reflect \$0.

2. Field 14 — Current Balance: If Synchrony Bank has sold this debt to a collection agency, they should not be reporting a balance. Metro 2 Format requires that when an account is transferred or sold, the Current Balance field is updated to \$0 by the original creditor.

3. Field 17B — Payment History Profile: The 24-month payment history profile must accurately reflect my actual payment pattern. I request verification that each monthly status code in this field corresponds to my actual payment history with Synchrony Bank.

4. Field 25 — Date of First Delinquency: This field controls the 7-year reporting clock under FCRA Section 605. I request verification that this date is accurate and sourced directly from Synchrony Bank's records per FCRA Section 623(a)(5).

DISPUTED ITEM 2

Creditor Name: Midland Credit Management, Inc.

Account Type: Collection

Original Creditor: AT&T Mobility

Balance Reported: \$2,100

Basis for Dispute:

1. Field 25 — Date of First Delinquency: The DOFD must be sourced from the original creditor (AT&T Mobility), not from the date Midland purchased the debt. I request verification of the original delinquency date.

2. Field 29 — Original Creditor Name: Must be populated with AT&T Mobility. I request verification that this field is present and accurate.

3. Field 24 — Compliance Condition Code: This account is now disputed and should be coded XB.

DISPUTED ITEM 3

Creditor Name: Capital One

Account Type: Revolving — Late Payment (30 days, September 2025)

Basis for Dispute:

1. Field 17B — Payment History Profile: The 30-day late payment recorded for September 2025 does not accurately reflect my payment history with Capital One. I made a payment within the billing cycle and request that Capital One verify the exact date my payment was received and whether it was in fact 30 or more days past the due date.

2. Field 17A — Payment Rating: If the late payment in Field 17B is found to be inaccurate, the Payment Rating must be corrected to 0 (Current) for that reporting period.

REQUESTED ACTIONS

1. Conduct a reasonable investigation of each disputed item per FCRA Section 611.
2. Verify all Metro 2 Format data fields with each furnisher.
3. Provide written results within 30 days including method of verification per FCRA Section 611(a)(6)(B)(ii).
4. Delete any information that cannot be verified as accurate and Metro 2 compliant per FCRA Section 611(a)(5)(A).
5. Provide an updated copy of my credit report per FCRA Section 611(d).

Respectfully,

Prepared by UnderwriteIQ for Marcus D. Johnson
