**Re: Round 2 Metro 2 dispute — M2-005, M2-005, M2-005, M2-005**

I am writing again because the prior reinvestigation did not describe the method of verification.

I already sent a Round 1 dispute. Your response marked items as verified, or you did not answer, without telling me the method of verification.

Under FCRA section 611(a)(7), describe the method of verification for each item — who you contacted, what records they sent, and what you compared. Under section 611(a)(6)(B)(iii), give me each furnisher's name, address, and telephone number.

Violation M2-005 — Stale Date of Account Information

Metro 2 field: Field 24 — Date of Account Information, § 1.7

Severity: Moderate

Date of Account Information is 2025-05-17, which is 455 days before the report date 2026-08-15. A furnisher is required to update monthly; a stale as-of date means the balance and status shown may no longer describe the account.

Observed: "2025-05-17". Expected: "within 30 days of 2026-08-15".

Legal basis: FCRA § 1681e(b) (maximum possible accuracy); FCRA § 1681s-2(a)(2) (duty to correct and update).

Violation M2-005 — Stale Date of Account Information

Metro 2 field: Field 24 — Date of Account Information, § 1.7

Severity: Moderate

Date of Account Information is 2026-05-05, which is 102 days before the report date 2026-08-15. A furnisher is required to update monthly; a stale as-of date means the balance and status shown may no longer describe the account.

Observed: "2026-05-05". Expected: "within 30 days of 2026-08-15".

Legal basis: FCRA § 1681e(b) (maximum possible accuracy); FCRA § 1681s-2(a)(2) (duty to correct and update).

Violation M2-005 — Stale Date of Account Information

Metro 2 field: Field 24 — Date of Account Information, § 1.7

Severity: Moderate

Date of Account Information is 2026-05-03, which is 104 days before the report date 2026-08-15. A furnisher is required to update monthly; a stale as-of date means the balance and status shown may no longer describe the account.

Observed: "2026-05-03". Expected: "within 30 days of 2026-08-15".

Legal basis: FCRA § 1681e(b) (maximum possible accuracy); FCRA § 1681s-2(a)(2) (duty to correct and update).

Violation M2-005 — Stale Date of Account Information

Metro 2 field: Field 24 — Date of Account Information, § 1.7

Severity: Moderate

Date of Account Information is 2025-12-21, which is 237 days before the report date 2026-08-15. A furnisher is required to update monthly; a stale as-of date means the balance and status shown may no longer describe the account.

Observed: "2025-12-21". Expected: "within 30 days of 2026-08-15".

Legal basis: FCRA § 1681e(b) (maximum possible accuracy); FCRA § 1681s-2(a)(2) (duty to correct and update).

If you cannot produce that method, delete the items. I will then dispute the same items with the furnisher.

**CITATIONS:**

FCRA § 1681e(b) (maximum possible accuracy)

FCRA § 1681s-2(a)(2) (duty to correct and update)

**CLOSING:**

Describe the method of verification for each item under FCRA section 611(a)(7).

**Sincerely,**
