Re: Round 1 Metro 2 dispute — Violation M2-005, Field 24 — TransUnion file dated August 15, 2026

This is a Round 1 Metro 2 dispute. I dispute specific Field 24 defects on my TransUnion file and request a reasonable reinvestigation.

This request is based on my TransUnion file dated August 15, 2026.

1. Violation M2-005 — Stale Date of Account Information

Metro 2 Field 24 — Date of Account Information

Severity: Moderate

Knowledge-base reference: Field 24 — Date of Account Information, § 1.7

Alleged account: DISCOVERCARD ending 8060. TransUnion reports Field 24 as May 17, 2025. That is 455 days before the report date of August 15, 2026. A furnisher must update monthly. A stale Field 24 means the balance and status on this tradeline may no longer describe the account. Requested action: reinvestigate Field 24, the current balance, and the status. Correct the date or delete the tradeline if it cannot be verified. Authority: 15 U.S.C. § 1681e(b); 15 U.S.C. § 1681s-2(a)(2).

2. Violation M2-005 — Stale Date of Account Information

A stale Field 24 means the balance and status on this tradeline may no longer describe the account. Requested action: reinvestigate Field 24, the current balance, and the status. Correct the date or delete the tradeline if it cannot be verified. Authority: 15 U.S.C. § 1681e(b); 15 U.S.C. § 1681s-2(a)(2).

3. Violation M2-005 — Stale Date of Account Information

Alleged account: CITI ending 6779. TransUnion reports Field 24 as May 3, 2026. That is 104 days before the report date of August 15, 2026. A furnisher must update monthly. A stale Field 24 means the balance and status on this tradeline may no longer describe the account. Requested action: reinvestigate Field 24, the current balance, and the status. Correct the date or delete the tradeline if it cannot be verified. Authority: 15 U.S.C. § 1681e(b); 15 U.S.C. § 1681s-2(a)(2).

4. Violation M2-005 — Stale Date of Account Information

Metro 2 Field 24 — Date of Account Information

Severity: Moderate

Knowledge-base reference: Field 24 — Date of Account Information, § 1.7

Alleged account: DISCOVERCARD ending 8016. TransUnion reports Field 24 as May 5, 2026. That is 102 days before the report date of August 15, 2026. A furnisher must update monthly. A stale Field 24 means the balance and status on this tradeline may no longer describe the account. Requested action: reinvestigate Field 24, the current balance, and the status. Correct the date or delete the tradeline if it cannot be verified. Authority: 15 U.S.C. § 1681e(b); 15 U.S.C. § 1681s-2(a)(2).

For each item, correct Field 24 or delete any information that cannot be verified. 15 U.S.C. § 1681i(a)(5)(A).

Please finish the reinvestigation within 30 days and send written results to the address above. With those results, provide the method of verification for each item, including the name, address, and telephone number of any furnisher you contacted. 15 U.S.C. § 1681i(a)(1); 15 U.S.C. § 1681i(a)(6)(B)(iii).

These Field 24 findings are Moderate severity. The proper Round 1 ask is correction of the Metro 2 date, or deletion if the furnisher cannot verify current data. This is not a Round 3 willful-noncompliance notice. If you mark these items verified without a real investigation, or you fail to send the method of verification, the next letter is a Method of Verification demand under 15 U.S.C. § 1681i(a)(6)(B)(iii) and (a)(7), then a direct furnisher dispute under 12 C.F.R. § 1022.43. If you do not complete a reasonable reinvestigation within 30 days, I will file a complaint with the Consumer Financial Protection Bureau and the Texas Attorney General, and I reserve all rights under 15 U.S.C. §§ 1681n and 1681o.

This letter will be sent by certified mail, return receipt requested.
