For each item, correct Field 24 or delete any information that cannot be verified. 15 U.S.C. § 1681i(a)(5)(A).

Equifax has 30 days to complete a reasonable reinvestigation and to send written results, including the method of verification for every item you claim to have verified. 15 U.S.C. § 1681i(a)(1); 15 U.S.C. § 1681i(a)(6)(B)(iii).

These Field 24 findings are Moderate severity. The proper Round 1 ask is correction of the Metro 2 date, or deletion if the furnisher cannot verify current data. This is not a Round 3 willful-noncompliance notice. If you mark these items verified without a real investigation, or you fail to send the method of verification, the next letter is a Method of Verification demand under 15 U.S.C. § 1681i(a)(6)(B)(iii) and (a)(7), then a direct furnisher dispute under 12 C.F.R. § 1022.43. If you do not complete a reasonable reinvestigation within 30 days, I will file a complaint with the Consumer Financial Protection Bureau and the Hawaii Attorney General, and I reserve all rights under 15 U.S.C. §§ 1681n and 1681o.

This letter will be sent by certified mail, return receipt requested.
