5. Violation M2-005 — Stale Date of Account Information

Metro 2 Field 24 — Date of Account Information

Severity: Moderate

Knowledge-base reference: Field 24 — Date of Account Information, § 1.7

Alleged account: FORD MOTOR ending 4004. Experian reports Field 24 (last updated) as July 28, 2025. The Experian file date is August 15, 2026, 383 days later. Those two dates cannot both describe a currently maintained Metro 2 tradeline. Requested action: reinvestigate Field 24. For each item, correct Field 24 or delete any information that cannot be verified. 15 U.S.C. § 1681i(a)(5)(A).

Experian must complete this reinvestigation within 30 days of receipt and send me the written results plus the method of verification used for each item. 15 U.S.C. § 1681i(a)(1); 15 U.S.C. § 1681i(a)(6)(B)(iii).

These Field 24 findings are Moderate severity. The proper Round 1 ask is correction of the Metro 2 date, or deletion if the furnisher cannot verify current data. This is not a Round 3 willful-noncompliance notice. If you mark these items verified without a real investigation, or you fail to send the method of verification, the next letter is a Method of Verification demand under 15 U.S.C. § 1681i(a)(6)(B)(iii) and (a)(7), then a direct furnisher dispute under 12 C.F.R. § 1022.43. If you do not complete a reasonable reinvestigation within 30 days, I will file a complaint with the Consumer Financial Protection Bureau and the Texas Attorney General, and I reserve all rights under 15 U.S.C. §§ 1681n and 1681o.

This letter will be sent by certified mail, return receipt requested.
