Re: Round 1 Metro 2 personal-information dispute — Violation M2-031 — Experian

This is a Round 1 Metro 2 personal-information dispute (M2-031). I request deletion of the outdated former addresses below. This is supporting severity, not a tradeline deletion demand.

1. Violation M2-031 — Stale former address

Metro 2 personal-information / address segment

Severity: Supporting

Knowledge-base reference: § 4.3 — personal information errors (old addresses)

Experian still lists the former address 5470 W MILITARY DR, SAN ANTONIO, TX, 78242-1258, last reported May 24, 2018. That is 98 months before this report. An old address that is no longer mine can attach another person's records to this file. Requested action: delete this former address. This is a supporting Metro 2 personal-information defect, not a tradeline wipe. Authority: 15 U.S.C. §§ 1681e(b) and 1681i(a)(1).

2. Violation M2-031 — Stale former address

Metro 2 personal-information / address segment

Severity: Supporting

Knowledge-base reference: § 4.3 — personal information errors (old addresses)

Experian still lists the former address RR 4 , ROBSTOWN, TX, 78380-9804, last reported November 23, 2024. That is 20 months before this report. An old address that is no longer mine can attach another person's records to this file. Requested action: delete this former address. This is a supporting Metro 2 personal-information defect, not a tradeline wipe. Authority: 15 U.S.C. §§ 1681e(b) and 1681i(a)(1).

Please complete this reinvestigation within 30 days and send written results. 15 U.S.C. § 1681i(a)(1).

If these former addresses remain after 30 days, I will file a complaint with the Consumer Financial Protection Bureau and send a follow-up dispute. I am not treating this letter as a willful-noncompliance notice.

This letter will be sent by certified mail, return receipt requested.
