RE: Formal Dispute — CONNECTICUT CHILD SU | Account Ending in 9297 | Equifax File

Dear Equifax Dispute Department,

I am writing to formally dispute the reporting of the above-referenced account on my Equifax credit file. I have reviewed this tradeline in detail and identified multiple Metro 2 compliance failures that render the account's reporting inaccurate and incomplete under the Fair Credit Reporting Act. I am requesting a full reinvestigation of each item below.

DISPUTE ITEM 1 — Stale Reporting / Field 24 (Date of Account Information)

The information for this account was last updated on **December 2, 2025**, which is **235 days ago** as of the date of this letter. Metro 2 standards require furnishers to report current information each reporting cycle. An account that has not been updated in nearly eight months cannot be considered accurate or complete as reported. Under FCRA § 1681s-2(a)(1)(A), furnishers are prohibited from reporting information they know or should know is inaccurate, and stale data falls squarely within that prohibition.

DISPUTE ITEM 2 — Missing Compliance Condition Code / Field 20

This account is reporting a derogatory payment rating of **60 days past due** with a past-due balance of **\$17,148**, yet **Field 20 (Compliance Condition Code) is blank**. Metro 2 guidelines require a Compliance Condition Code on any account carrying adverse information, particularly one being disputed. The absence of this code means the account is not being reported in full compliance with Metro 2 formatting standards, which is itself grounds for correction or deletion under FCRA § 1681i.

DISPUTE ITEM 3 — No Notation of Dispute

I have previously raised concerns regarding this account, yet the tradeline contains no notation that the account is disputed by the consumer. FCRA § 1681s-2(a)(3) requires furnishers to note a consumer's dispute when reporting information to the bureaus. The failure to include this notation renders the reporting incomplete and misleading to any party reviewing my file.

REQUESTED ACTIONS

- 1 Conduct a full reinvestigation of this account under FCRA § 1681i(a)(1)(A).
- 2 Contact the furnisher and require them to verify every field of this tradeline, including Fields 20 and 24.

- 3 Provide me with a description of the reinvestigation procedure under FCRA § 1681i(a)(6)(B)(iii).
- 4 Mark the account as disputed by the consumer during the pendency of this investigation.
- 5 Delete this tradeline in its entirety if any field cannot be fully verified as accurate, complete, and current.
- 6 Send me an updated copy of my credit report reflecting the results of this investigation.

METHOD OF VERIFICATION REQUEST

If this account is verified, I am formally requesting the **method of verification** used, including the name, address, and telephone number of the furnisher contact who verified the information, and copies of any documents relied upon. A verification that consists solely of an automated e-OSCAR match does not satisfy the reinvestigation requirements of FCRA § 1681i.

I am enclosing a copy of my government-issued photo ID and a recent utility bill to confirm my identity and address. Please direct all correspondence to the address listed above.

Sincerely,
